## THE PLEDGE

### TRIJAY KORATS – NEW OWNER’S PLEDGE

#### Part 1. For ALL Korats

I, the New Owner/Buyer of this Korat, PLEDGE THAT:

- 1 will advise the Breeder/Seller if for any reason I cannot keep this Korat.
- I will not sell or give this Korat away without the knowledge and consent of the Breeder/Seller and will not allow this Korat to run loose unprotected.
- 1 will not assign my Korat(s), or sell them through a pet shop or animal dealers.
- 1 will not use for breeding a so-called “Korat” whose ancestry cannot be traced back to Thailand.
- I will not permit breeding my Korat(s) with another breed with intent to represent the offspring as Korats.
- 1 will maintain the good health and condition of this Korat and give him/her a secure and happy life.
- I will not have this Korat declawed.
- I will not assign my Korat(s) to any research institution, hospital or laboratory testing facility for any type of experiments.
- All Korats born as a result of mating this Korat will be sold or given as per terms of this agreement/pledge.

Date.

#### Breeder’s Pledge

I, the Breeder/Seller, so DO HEREBY GUARANTEE THAT:

- The above named cat is from traceable Thai ancestry.
- Has been handled with love and care since birth.
- Is sold exactly as represented, in all aspects of health, temperament and quality.

• Was last examined by ..... veterinary clinic at

..... on ..... and found to be free of worms, fleas, ear mites and fungus.

- Has been fully immunised against:
- Feline Infectious Enteritis @ Rhino/Calici 17 Feline Leukemia Virus
- Has been tested negative for GM 1 and GM2, by an approved procedure

OR: Both the sire and dam / grandparents on both sides / great grandparents on both sides of this Korat have tested negative for GM I and GM2, by an approved procedure

OR: The sire or dam of this Korat have tested positive for GM I 0 and/or GM2 by an approved procedure and as this Korat may be a carrier of GM I and/or GM2 and is therefore unsuitable for breeding unless tested negative

Date

**Part2.**

**For all Pet Korats and Show Only Korats – to be NEUTERED or SPAYED**

I, the New Owner/Buyer of the above mentioned cat DO HEREBY AGREE:

I will have him/her neutered or spayed when he or she is approximately 6 months old. When this has been performed, I agree to send the Breeder/Seller a Certificate signed by the veterinarian to this effect.

.....  
Signature of New Owner/Buyer

Date

I, the Breeder/Seller will, on receipt of a veterinarians certificate, provide the New Owner/Buyer with a pedigree and/or registration papers of this Korat.

.....  
Signature of Breeder/Seller

Date

**PLEASE NOTE:**

In the event that the New Owners do not fulfill the obligations under this sales agreement, the Breeder/Seller may in their absolute discretion elect to terminate the agreement.

In the event that the Breeder/Seller terminates this agreement, the New Owner/Buyer shall forfeit the cat and any kittens, together with the purchase price paid under this agreement. The New Owner/Buyer shall within seven days of notice of termination return the cat and any kittens to the Breeder/Seller.

In the event that within a reasonable period after purchase the Korat is deemed by a veterinarian to be suffering from any health problems or dies from causes other than misadventure, the New Owner/Buyer should immediately inform the Breeder/Seller. Subject to the veterinarian's report the Breeder/Seller may at their discretion replace the Korat or refund the purchase price to the New Owner/Buyer.
